

AMYNA

A PLATFORM FOR DEFENSE INNOVATION

Startup, Scaleup, or SME with a Dual Use Innovation? Join the AMYNA Acceleration Program!

The AMYNA Accelerator Program for Dual-Use Startups, Scaleups, and SMEs is part of the broader AMYNA Platform for Defense Innovation, powered by Ideon Science Park. In close collaboration with our ecosystem partners—including government, academia, industry, and investors—we offer a tailored acceleration program designed to help you kick-start and scale your dual-use solution.

What is in it for you?

Fast-Track Access to a Growing Market

AMYNA connects you to real opportunities in this rapidly evolving sector.

Connect with Key Stakeholders

Gain access to a curated network of defense agencies, industry leaders, innovation hubs, and EU programs.

Navigate a Complex Ecosystem with Support

Get expert guidance, mentorship, and strategic matchmaking to help you scale efficiently within the system.

Real-World Impact with Dual-Use Tech

Get help growing with purpose and relevance beyond the defense sector.

Visibility & Validation

Gain credibility in a high-trust industry. Join AMYNA to scale your innovation where it matters most—for security, resilience, and the future.
